

Me, myself and I

My name is Sofia. I'm 17 and
my native city is Kosiv.
I'd like to introduce you smth
about me.

I study at 11th form in Kosiv lyceym.

It's the last year of my studying at school and i am not happy about it. I think it will be hard for me to study abroad, because i am not independent enough.

About my goal

My short term goal is to work in a good company where i would show my knowledge, skills and talents.

I will soon have to take tests in order to do well and regain my knowledge.

When I'll find my dreamed job, i'll think about starting a family and buying my own house with big and beautiful garden

.

About my character:

I think, i am symphathetic, friendly and nice. But people say that i'm a little strange and crazy.

I would also describe my personality as generous. I take pleasure in sharing something with other people and I am ready to help them at any time. I am organized and punctual too and I am happy when things happen on time, according to the schedule. I am very hard-working and I am always busy. I don't like to give up.

My family ♥ □

I enjoy spending my time with my family as much as possible. Some things, that we enjoy doing together is camping, going out to eat and just hanging out together.

MY LOVE ☐ ♡ ☐

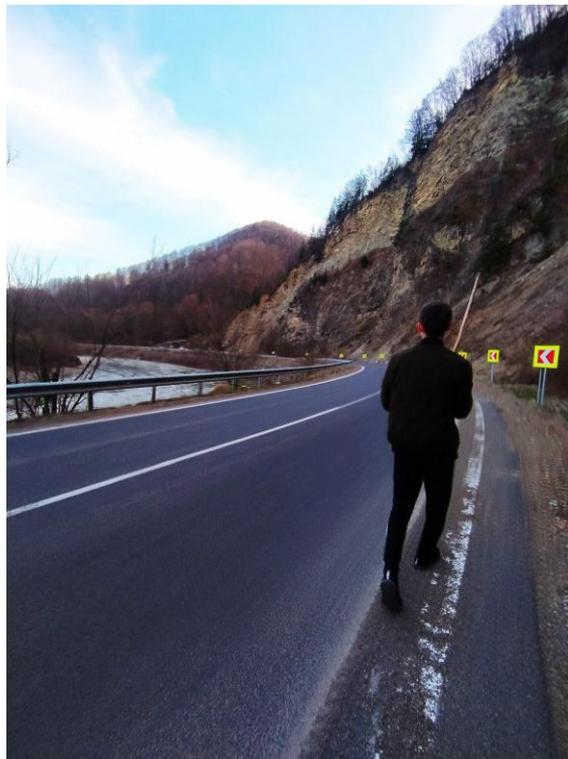

This is my pet. And she is a part of my family too. She is very cute and funny.

She gnaws everything she sees. But still it's the cutest creature.

My hobby

I have so many things, which i'd like to do every day, but the most wonderful and favourite for me it's hiking in the mountains. Not to mention the high cliffs but our low Kosovo mountains with beautiful scenery. It's wonderful feeling.

In 10 years...

I will be married

I will have my dream job

I will have children

I will be happy
